How to find the crag:

Lustige Wand and Vogeltränke: Drive 1 km from Gößweinstein in the direction of Stadelhofen, park on a car park made for tourists/footpath. Take the small road in the wood in the direction of Prügeldorf, after 350 metres a track cross the road where the pavilion is suited. Take right for Lustige Wand or left for Vogeltränke, a short walk to both.

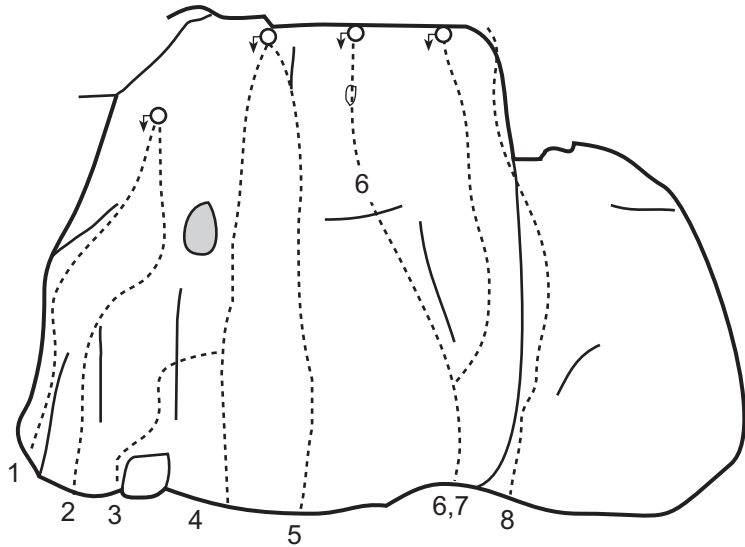

Prügeldorfer Wand: Park at the same place as for the crags above. On the small road in the wood, continue and pass the crossing track and walk until you will come out of the wood, after 100 metres, take right over the meadow and into the wood again, after 200 metres you will find the crag.

How to find the crag:

Drive from Obertrubach in the direction of Wolfsberg and on the middle of that distance, when you passed a Café Treiber, a car park is on your right. Park here. Walk back and after the café a road turns up to the left. After 200 metres the cliff Zauberberg is located on your right. Park at the same car park for Richard-Wagner-Fels, walk 250 metres towards the café, you will pass Reichelsmühler Wand. They are both standing by the road.

How to find the crag:

Drive from Neuhaus in the direction of Ranna. 500 metres after you have passed Lehnertsdorf you turn right on a gravelled road. Pass a crossroad signed "Hohen Tanna" and 200 metres later you park. Follow the small road in the wood and soon you will see Rabensfels.

How to find the crag:

Drive from Krottensee in the direction of Maximiliansgrotte and continue in the direction of Sackdilling. After a crossing you will find a car park on your right. Park and follow the track. Don't forget to take a look at the famous route "Action direct", still one of the hardest routes in the world, climbed by Wolfgang Güllich as early as 1991.

How to find the crag:

On the outskirts of Rupprechtstegen as you are leaving the village in the direction of Velden you will find a car park on your right. Ankatalwand is located on the other side of the street. To reach Ochsenstein, walk on the small road from the opposite side of the road near the car park, walk for 400 metres. You will see a flat crag on the left side of the road, that's where you should head to the right on the track. To reach Brückenwand, continue from Rupprechtstegen and park by the railway bridge. Go under the bridge and after 50 metres to the right to find the crag.
